

### *Lithography and monoprint workshops:*

\$350 + GST for 15-hours instruction\* (\$402.50 inclusive).

10:00am start for 3 weeks (Sundays only)

---

#### **Introductory Stone Lithography workshop:**

week 1: 10am - 3:30pm general introduction, grinding the stone, drawing techniques.

week 2: 10am - 3:30pm finish drawing on stone, 1st etch, paper preparation, registration.

week 3: 10am - 5:30pm washout/rollup, 2nd etch, printing.

#### Outcomes:

- a. achieve an introduction to stone lithography
- b. produce a small monochromatic lithographic edition of approximately 10

#### What to bring/prepare:

- a. a sketch or source image to work from--image size can be up to 280 x 380mm either portrait or landscape format. the image reverses during the printing process, so you may want to mirror the image or draw on tracing paper, especially if you are dealing with text.
  - b. lunch (we will provide tea, coffee, and snacks).
- 

#### Other workshop options available:

1. Introductory stone lithography workshop.
2. Advanced stone lithography workshop.
3. Photo-plate lithography workshop.
4. Special processes workshop.
5. Monotype printmaking workshop.

workshop fee includes all materials except editioning paper, film and photolithographic plates\*\*.

\* please note that you may need to spend more hours during the drawing stages which take place outside of instruction time.

\*\*film and photoplates are not needed for stone lithography workshops.
